**Do you have any firearms in your home?**

**Just curious, if you or your partner or anyone at home might own or use a gun?**

**How do you store your guns, if you have any?**

**I'm a bit nervous about guns & I always ask my friends and where my kids play how guns are stored.**

**My kids are so curious and for everyone's safety, do you have any firearms?**

**I have guns and I store them unloaded and locked in a lock box, what about you guys?**

**My home is gun-free, what about yours? If you have one, how do you store**

**Pair it with questions regarding to safety- swim pool, helmet, guns, etc**

**Blame it on your provider: "My pediatrician tells me to always ask"**

**Mention your commitment to guns and use statistics non-judgementally**

**I heard about the toddler who accidentally shot a parent, so I always ask about gun storage, how do you store yours**

**I'll talk about guns and recent gun incidents with kids and ask if they bring up theirs**

**I recall you said you guys hunt, where do you store your guns?**

**Link it to what you do or have seen.  
"I am a former Police officer so I've seen tragedies & now I ask for firearms where my kids visit"**
